

Dear Erin Hills MACC Fund Invitational Sponsor,

On behalf of Erin Hills, the MACC Fund (Midwest Athletes Against Childhood Cancer, Inc.), and Arrowhead High School, we are pleased to welcome you as a sponsor of the **Erin Hills MACC Fund Invitational presented by Arrowhead High School!** The former Lake Country Charity Invitational (LCCI) has a long-standing tradition of hosting one of the premiere high school golf tournaments in Wisconsin. With a renewed energy and partnership with Erin Hills, the Invitational is excited to return under a new name and call Erin Hills its permanent home! The **Erin Hills MACC Fund Invitational** will showcase not only the most elite high school golfers in Wisconsin, but it takes great pride in its players and coaches, as well as community partners, for raising significant funds to fight childhood cancer and blood disorders. Thanks to community partners like you, the LCCI has raised \$610,000 since its inception in 2007. We plan to continue that rich tradition, taking it to the next level with the new Erin Hills MACC Fund Invitational!

Every three minutes, somewhere in the United States a child is diagnosed with cancer or a blood disorder. MACC Fund supported research impacts the treatment of children through the state, the nation, and even the world. With YOUR help, we can give children and their families a special gift - **HOPE!** **With your help, the MACC Fund has one goal - help find a CURE. With the help of the MACC Fund's research support of over \$60 million since its inception in 1976, overall cure rates for childhood cancer have risen from 20% to 80% today. Still the fight is far from over until all kids are cured, which is why we need your help, since even kids in the 80% category can relapse and have "late effect" issues.**

With your sponsorship for the **Erin Hills MACC Fund Invitational**, YOU will be helping give children in your community and across the state and nation **HOPE**. On behalf of children and families everywhere, thank you for helping the MACC Fund fight childhood cancer and blood disorders through research. Please see page 2 for sponsorship opportunities!

Erin Hills, the MACC Fund, and Arrowhead High School are honored to have you sponsor the 2018 Erin Hills MACC Fund Invitational. We look forward to May 5<sup>th</sup> 2018 at Erin Hills, site of the 2017 United States Open Championship, for what will be a great day of elite high school golf and raising money to fight childhood cancer and blood disorders!

Gratefully,
