

The name “The Ringer” is symbolic of a child going through the unthinkable journey of battling cancer, and BEATING it. Upon the completion of a successful childhood cancer or blood disorder treatment protocol, children are given the chance to physically *RING THE BELL*, a bell which hangs from the wall in the MACC Fund Center at Children’s Hospital of Wisconsin; to signify they have BEAT their cancer or blood disorder. This monumental moment in a child’s life was the inspiration for starting The Ringer, 100-holes of golf event to benefit the MACC Fund.

The 2019 Ringer will be played on April 25<sup>th</sup> at the Bog Golf Course! Thanks to generous donors and sponsors, last year the event raised over \$125,000 for childhood cancer and blood disorders research. We look forward to another wonderful year of providing HOPE through research in 2019 and are very grateful for your sponsorship.

Hole Sponsor \$100

Course Signage

Wisconsin Weather Sponsor \$500

Provides players with Hand-Warmers and Hot Beverages  
Course Signage & Website Recognition
