RBC Tees Off 'fore' the MACC Fund

at North Shore Country Club

RBC Tees Off 'fore' the MACC Fund will be held on Monday June 17th 2019 at North Shore Country Club in Mequon, Wisconsin! RBC is committed to helping clients thrive and communities prosper, supporting strategic initiatives that make a measurable impact on society, the environment and the economy.

RBC and its associates based in Wisconsin, want to make a measurable impact in the world of childhood cancer and blood disorders research, by launching a new golf outing to benefit the MACC Fund! The MACC Fund is 501c3, located in Milwaukee Wisconsin, whose mission is to find a CURE for childhood cancer and blood disorders, by providing funding for research! The MACC Fund supports research conducted at: the Medical College of Wisconsin, Children's Hospital of Wisconsin, the University of Wisconsin's Carbone Cancer Center, and most recently, the Marshfield Clinic. Research is the ONLY thing the MACC Fund supports.

To date, the MACC Fund has contributed over \$65 million dollars to research, and in its 43 year history has helped fund research that has led to overall cure rates rising from 20% in 1976, to just over 80% today. But the battle is far from over, which is why we need your support!

Please join us for a day of camaraderie, laughs, golf, and most importantly, making a measurable difference in the life of a child battling cancer or a blood disorder.
