

**MACC FUND**  
Hope for Kids

Dear Erin Hills MACC Fund Invitational Ambassador,

On behalf of Erin Hills, the MACC Fund, and Arrowhead High School, we are pleased to welcome you as a community leader to play a key role in the **Erin Hills MACC Fund Invitational presented by Arrowhead High School on Saturday, May 8<sup>th</sup>, 2021!** Formerly known as the Lake Country Charity Invitational, the Erin Hills MACC Fund Invitational has a long-standing tradition of hosting one of the premiere high school golf tournaments in Wisconsin. The event will showcase not only the most elite high school golfers in Wisconsin, but participating teams will make a positive impact in the fight against childhood cancer and blood disorders by raising significant funds to benefit the MACC Fund.

**STOP for a moment to let this sink in:** Every three minutes, somewhere in the United States, a child is diagnosed with cancer or a blood disorder. **These kids are someone's son or daughter, brother or sister, grandson, or granddaughter...**The MACC Fund has one goal - help find a **CURE** for childhood cancer and blood disorders. The MACC Fund has contributed over \$70 MILLION to research since inception in 1976 and has seen overall cure rates rise from 20% to over 80% today. However, the battle is still far from over, which is why we seek your support!

We have identified YOU as someone we would be honored to have involved with the Erin Hills MACC Fund Invitational. Not only will your involvement support the MACC Fund in its fight against childhood cancer, but you'll set an **EXAMPLE** to 144 players, 36 head coaches, and countless others, that giving back is an important part of life, and we are fortunate to be able to do so through the great game of golf. Golf bonds us; it brings us together and, in this case, gives us a chance to make a significant positive impact in the lives of kids fighting cancer & blood disorders.

Thank you for considering helping the MACC Fund fight childhood cancer and blood disorders by providing funding for research. *Please see page 2 for opportunities!*

Gratefully,
