****Player Handicaps****

All players will require an Official Handicap for scoring purposes. If a player does not have an official handicap, they will need to contact Head Pro Matt Hartmann at (608) 231-2454 and supply him with five 18-hole round scores they've shot to establish a handicap for the event.

Kids for HOPE Pro-Am

[Blackhawk Country Club](#) has a rich history of being one of the premiere private golf clubs in Madison, Wisconsin; offering incredible golf, dining, and social experiences. Looking to make a lasting impact upon kids battling cancer in our community, Blackhawk has teamed up with the [MACC Fund](#) and the [Balance & Believe Foundation](#) to raise money for childhood cancer research at the UW Carbone Cancer Center through the Kids for HOPE Pro-Am!

The Balance & Believe Foundation's mission is to promote junior golf while providing a platform for our youth to be charitable and give back to their community. Amongst many of their charitable endeavors, the B&B Foundation is proud to support the UW Carbone Cancer Center.

The MACC Funds mission is to find a CURE for childhood cancer & related blood disorders by providing funding for research. In 2020, the MACC Fund began a five-year, \$10,000,000 commitment to funding pediatric cancer research at the UW Carbone Cancer Center. These funds will help launch a research acceleration program focused on immunotherapy, resulting in kids being treated better, safer, and faster after diagnosis.

Join us at Blackhawk Country Club on **Monday August 23rd, 2021** for the Kids for HOPE Pro-Am in support of the MACC Fund and the Balance & Believe Foundation as we strive to end childhood cancer and blood disorders once and for all.
