Hope for Kids

Dear MACC Fund Invitational Sponsor,

On behalf of Erin Hills, The Club at Lac La Belle, the MACC Fund, and Arrowhead High School, we are pleased to present you an opportunity to play a key role in The MACC Fund Invitational hosted by Arrowhead High School on Saturday, May 6, 2023!

Founded in 2007 by Tom Tallmadge, past Arrowhead Boy's Golf Coach, the Lake Country Charity Invitational benefiting the MACC Fund has raised over \$960,000 since its inception! To honor Coach Tallmadge and his vision for helping kids battling cancer and related blood disorders, the tournament trophy was renamed after Tom in 2022, and we've added a second world class site in The Club at Lac La Belle! In keeping with tradition, the event will showcase not only the most elite high school golfers in Wisconsin, but most importantly participating teams and sponsors will continue to make a positive impact in the fight against childhood cancer and blood disorders.

Every three minutes, somewhere in the United States, a child is diagnosed with cancer or a blood disorder. These kids are someone's son or daughter, brother or sister, grandson or granddaughter. The MACC Fund has one goal - help find a CURE for childhood cancer and blood disorders. The MACC Fund has contributed over \$81 MILLION to research since its inception in 1976 and has seen overall cure rates rise from 20% to over 80% today. However, the battle is far from over, which is why we seek your support! Thank you for considering helping the MACC Fund fight childhood cancer and blood disorders by providing funding for research.

Please see page 2 for opportunities!

Gratefully,
MACC Fund Invitational Committee
