By providing a matching gift to the MACC Fund through the TMJ4 Sports Auction 4 MACC, you are not only supporting childhood cancer and related blood disorders research, however, you are also encouraging others in the community to ‘bid early, bid often’ as the saying goes. With nearly every Sports Auction 4 MACC item being donated to the MACC Fund, the amount of funding garnered for research becomes very impactful. Special thanks to TMJ4 for their over 30 years of loyal partnership, the item and experience donors, the bidders, and you the sponsors for the gift of HOPE during the holiday season!
