

Join the MACC Fund on SATURDAY, SEPTEMBER 30, 2023, and go Over the Edge to fight childhood cancer and related blood disorders!

On September 30, 2023, a team of Over the Edge experts will return to Milwaukee for the third year to conduct a rappelling event down the 10-story, 147-ft tall Wintrust Commercial Bank Building located at 731 N Jackson St! All OTE events have highly trained industrial rope specialists who are all IRATA or SPRAT certified.

We need YOU to help make this event a success!

Ready to take a chance and go Over the Edge? There is no fee to register to rappel, however, there IS a \$1,500 fundraising expectation with a goal of \$3,000 per rappeler! After registering, you will receive more information about setting up your own unique fundraising link. Your fundraising efforts will make a direct, significant impact in the world of childhood cancer and related blood disorders research!

Not sure about rappelling but still want to be part of the excitement? Sign up to volunteer! Those who sign up as Ropes Volunteers will even have the chance to rappel as part of training!

Want to support the event but can't volunteer? Become a sponsor! Some sponsorship levels include an opportunity to rappel!

The goal for this event every year has been to raise at least \$200,000! We haven't quite reached that goal the past two years, so will the third time be the charm?

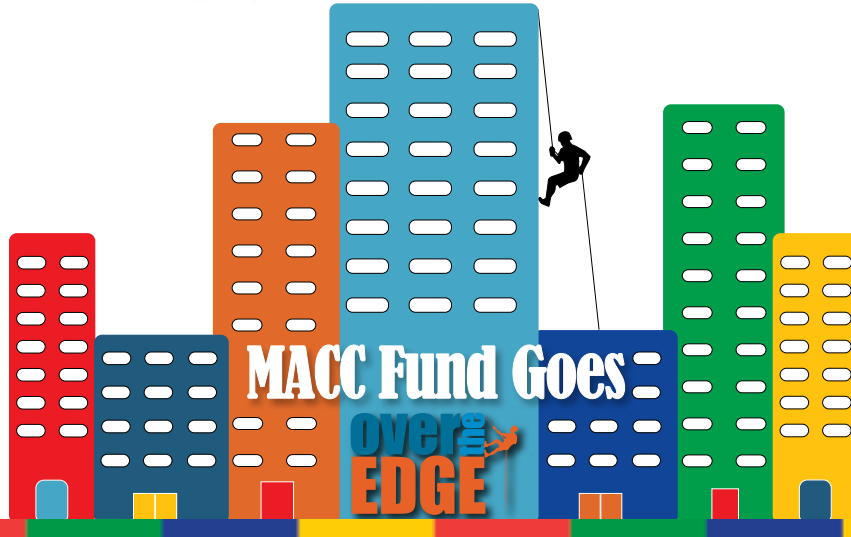

Saturday, September 30, 2023 • Wintrust Commercial Bank Building

No Entry Fee - \$1,500 fundraising expectation per registrant with a goal of \$3,000 per registrant

Wintrust Commercial Bank Building - 731 N Jackson Street - Milwaukee, WI 53202

Event Details

MACC Fund Goes Over the Edge

Saturday, September 30, 2023
Wintrust Commerical Bank Building

For the third year, the MACC Fund will celebrate Childhood Cancer and Sickle Cell Awareness Month by going Over the EDGE! Safety is, of course, everyone's top priority. All OTE events have highly trained industrial rope specialists, all of which are IRATA or SPRAT certified. Every OTE site is set up as an industrial work site, with compliance to all OSHA laws and SPRAT governing procedures. Each event site has a comprehensive Site Inspection & Safety Plan completed, and if every potential risk cannot be mitigated, the site will not be deemed suitable for use. To date, there have been over 55,000 unique rappellers who have participated in OTE events and there has been one hospitalization for an allergic reaction to a bee sting!

Participants will be "safely out of their comfort zone," by going Over the Edge to fight childhood cancer and blood disorders!

www.maccfund.org/over-the-edge/

*Company logos included on participant/volunteer t-shirts at all levels except Hero Sponsor

**For sponsor recognition purposes, company logos (or names) should be emailed to Alli Neumann, aneumann@maccfund.org, by Monday, July 31, 2023, to be included in applicable event day signage or swag.
