For 40 years, Women for MACC (Midwest Athletes Against Childhood Cancer) inspired others to support our mission of bringing hope to families through research & awareness to end childhood cancer and related blood disorders.

Although Women for MACC announced their dissolution at the end of 2022, the MACC Fund is committed to working with dedicated volunteers to ensure the flagship events you know and love will continue to raise awareness and funds for our mission – events like Designed to Inspire.

Over the years, this event has become much more than a fashion show. It's a day for family and friends of all backgrounds, ages and lifestyles to come together to enjoy a silent auction, wine pull, luncheon, fashion and, most importantly, to show their support of the MACC Fund and the little heroes and angels who inspire us each day.

Partnering with GIGI MKE Boutique, we're excited to continue the tradition on Tuesday, November 7<sup>th</sup> with an event truly "Designed to Inspire."

**Please partner with us for Designed to Inspire and support  
this important work to end childhood cancer  
and related blood disorders!**
