

# Nine, Wine & Dine

Presented by the Colson Family

Monday, September 11th, 2023

Ironwood Golf Course | W270N6166 Moraine Drive, Sussex, WI 53089

For 40 years, Women for MACC (Midwest Athletes Against Childhood Cancer) inspired others to support our mission of bringing hope to families through research & awareness to end childhood cancer and related blood disorders.

Although Women for MACC announced their dissolution at the end of 2022, the MACC Fund is committed to working with dedicated volunteers to ensure the flagship events you know and love will continue to raise awareness and funds for our mission – events like Nine, Wine and Dine.

Nine, Wine and Dine is an exclusive, women-only golf experience with nine (9) holes, wine tastings, a raffle and other fun along the way, all while raising critical research funds needed to help find a cure to childhood cancer and blood disorders.

We are looking for businesses and individuals willing to partner with us at [all sponsorship levels](#). Your support will be acknowledged in a variety of ways leading up to and during the event, and shared with more than 200 attendees who value your commitment to the community and this worthy cause.

Thank your "fore" your consideration and for your commitment to the fight against childhood cancer.

See you on the links!

## *Did you know...*

EVERY 2 minutes a child is diagnosed with cancer.

More than 40,000 children are in cancer treatment each year. More than 15,000 children & teens will be diagnosed this year in the U.S.

95% of kids who win the fight against cancer, have other life-long side effects from the cancer and/or its treatment.

Since 1980, ONLY 3 drugs have been specifically approved & less than 10 drugs have been developed for use in children.

Just 4% of government cancer research goes to childhood cancer.
