

MACC FUND

Hope for Kids

The MACC Fund and Destination Kohler are teaming up to fight childhood cancer and related blood disorders this June! We are thrilled to announce the 2nd annual Hope FORE Kids golf outing, at the Par 3 Baths Course at Destination Kohler, promises to be a fun event for kids, families, and adults alike!

On June 23rd gather your kids, family, and friends and join us for an afternoon on one of the Nation's best Par 3 courses! Tee times are available from 11:00am to 1:00pm and will be taken on a first come first served basis by booking with Tina Rindt at trindt@maccfund.org.

Entry fee for kids 18 years of age and under will be \$65 and \$100 19 years of age and older. If you are not a golfer, please still join in on the fun with lunch, Marquette Basketball Meet & Greet, and putting course access for \$40. Golfer entry fee to include your round of golf on the 10 hole Par 3 Baths Course, access to the putting course, lunch, and your gift of HOPE to kids battling cancer and related blood disorders.

As an added event bonus, members of the 2023-2024 Marquette University Men's Basketball team will be on-hand to greet participants, sign autographs, and see if their golf skill compares to the skills on the court! This opportunity to meet some of the most elite collegiate basketball players in the country is made possible by our partnership with the Be The Difference NIL!

Groups may register to golf as foursomes or fivesomes; or simply for lunch and putting course access. Groups may be comprised of kids, adults, or a mixture. We kindly ask if a group of kids plans to play together and no child is over the age of 13 years of age, an adult walk along should be present to supervise. (Parents are welcome to walk along with any group at no charge and would be responsible for their own personal food and beverage consumption purchases).

While there is no official competition, there will be an abundance of games and prizes for kids and adults included in your entry fee. We hope you can join us for a great day of golf, with family and friends, on one of the Nation's best Par 3 course, all to support the MACC Fund in the fight against childhood cancer and related blood disorders.
