A Night of Hope

benefitting the MACC Fund

September 12, 2024

The MACC Fund is pleased to host A Night of Hope on September 12th, 2024. This will be a night for the Milwaukee Riverwalk District and surrounding area to come together to support our community's childhood cancer fighters!

In honor of September as National Childhood Cancer Awareness Month, the iconic Daniel Hoan Memorial Bridge as well as businesses and landmarks along the Milwaukee River will light up gold- the symbolic color of childhood cancer awareness. Additionally, businesses along the riverfront will hang childhood cancer awareness banners and are set to participate in a variety of ways that night to show their support and join in the fight against childhood cancer with the MACC Fund.

The MACC Fund invites you to join us on a privately chartered river cruise on Milwaukee Boat Line's Voyageur that evening! Enjoy passed hors d'oeuvres and two complimentary drink tickets as you view the lights with other supporters of the MACC Fund.

Cocktail attire recommended.

Reserve your spot as soon as possible. Space is very limited! Deadline to register is August 23.

Please contact Autumn Gentry at agency@maccfund.org with any questions.
