

2024 TMJ4 MACC*Star Designer Application

TMJ4 MACC*Star Designer Expectations

(All applicants and their families must be able to complete the following expectations)

Interviews

Willingness to be interviewed on a few separate occasions by TMJ4. Traditionally, TMJ4 reporters will come to the designer's home to interview *(recorded on video for editing later)* the designer and their family about who they are, their diagnosis, and their battle with childhood cancer or related blood disorder. Edited videos are then used for promotion of the TMJ4 MACC*Star sales on TMJ4 and TMJ4/MACC/Sendik's social media outlets.

TMJ4 MACC*Star Signing

The designer (and guardian) will be asked once or twice during the holiday season to attend a weekend "star signing" at a Milwaukee area Sendik's. These appearances are traditionally two-hour windows where the designer is seated at a table with their star and signs the star/box for customers who purchase stars from Sendik's that day.

Bucks MACC Fund Game

The designer (and family) will be asked to attend the "Bucks MACC Fund Game"; a regular season game (TBD) which the Bucks and sponsors raise money and awareness for the MACC Fund. Date of the game varies from year to year, largely dependent on Bucks scheduling.

At the game, the designer will be asked to join Becky Pinter, MACC Fund President & CEO, on the court to be announced and introduced as the 2024 TMJ4 MACC*Star designer. The designer does NOT speak, simply smile and wave! Complimentary tickets are provided to the designer's immediate family members only.
